Cwmgiedd Forest Walk

Nearest Postcode: SA9 1LY

A 5-minute drive.

Cwmgiedd Forest is over 600 acres of forest managed by Natural Resources Wales.

It lies just north of Ystradgynlais, just off the A4067. And is around a thirty-minute walk from the front door of the holiday apartment or you can hop in the car and be there ready for exploring the huge forest in five minutes.

The wood has a car park and buses run along the side road (a cul-de-sac) to Cwmgiedd village. There are plenty of paths in this wood, several of which link to walks up into the Brecon Beacons National Park. Many of the walks come back to Cwmgiedd village.

There is a picnic area and an information board.

Cwmgiedd Village is a picturesque village with a park next to the river which leads to the forest.
