Waterfall Country, Waterfall walks and Waterfall Centre

A 15-minute drive from the apartment are several places you can park to explore waterfall country.

Park:

Pontneddfechan, where there are some delightful pubs and easy parking. It is the geology of the area with its mix of limestone, sandstone and millstone grits and earlier glacial erosion, which cause such spectacular waterfalls.

Park: SA11 5NU. Dinas Rock is also a good starting place for several walking routes of differing length and difficulty, including one short one. There are also harder routes where you can spend all day taking in many of the Falls. There is a large car park with picnic benches.

The village has several pubs and a tearoom that is open at weekends with a children's play area that is always open behind it. While in the area, why not visit the Penderyn Distillery CF44 0SX which is 22 Minutes from the apartment and close to the Waterfalls.
